

Lesson 8: More tools for creative ideas

Activity 3: Likes / Dislikes

Identify 10 things you like. Can these 'likes' be added to improve something? Generate 20 ideas by adding what you like to something existing.

Identify 10 things you like. Can these 'dislikes' be removed to improve something? Generate 20 ideas by removing what you dislike from something existing.

Likes				
Generate ideas by adding what you like to something existing.				

Dislikes				
Generate ideas by removing what you dislike from something existing.
